- COCONUT CRUSH SCRUB & HYDRATE – 75MINS | \$135

Cleanse, polish and protect your skin. Crushed coconut shells combined with pineapple enzymes gently buff away dull skin cells and unclog pores rejuvenating your body, followed by an application of Hydrating Body Lotion or Body Butter which will rapidly hydrate and nourish skin. Finish with a face cleanse, exfoliation & moisture to complete this incredible experience.

- TROPICAL BODY ESCAPE – 60MINS | \$125

Relax & unwind using our intuitive touch, focusing on muscle tension, your skin is soothed and nourished while helping relieve tension and calm the body.

- AROMATHERAPY FACE & BODY MASSAGE – 90MINS | \$170

A relaxation massage with a personalised blend of essential oils to relieve stress and anxiety. Experience the healing properties of these calming oils, designed to restore balance and revitalise your energy.

- TROPICAL MAMA MASSAGE – 60MINS | \$125

A relaxing full-body pregnancy massage designed to ease common discomforts of pregnancy, reduce tension and anxiety. Using Pure Fiji's nourishing oils also improves skin elasticity while hydrating and deeply nourishing the skin. Let this treatment transport you and your bump to a tropical island paradise.

- FIJIAN SCALP MASSAGE – 15MINS | \$35

A traditional Fijian coconut bowl is used to slowly drizzle warmed exotic, cold-pressed seed oils along the hair line into the hair and scalp. These oils are then massaged gently into the scalp and neck to alleviate tension, relax the mind and aid with circulation. This nurturing ritual will alleviate fatigue and relieve tension while restoring hair to a healthy shine.

**This can be added onto any Pure Fiji facial or other body treatment.*

- SEASONAL INFUSION NOURISHING BODY WRAP & ISLAND GLOW EXPRESS FACIAL – 90MINS | \$200

Combat the visible effects of skin ageing on the body and restore the appearance of younger more toned skin. An infusion for all seasons, Winter, Autumn, Summer and Spring. We end with a relaxing Island Glow Express Facial.

- PARADISE RITUAL WRAP – 80MINS | \$195

Your ritual begins with an exfoliation using a coconut crush scrub - crushed coconut shells combined with pineapple enzymes gently buff away dull skin cells and unclog pores, rejuvenating your skin, followed by a rich layer of body butter to promote hydration. You are gently wrapped as a warm, exotic oil scalp massage is performed. To conclude the treatment, the remaining body butter is effleurage into the skin.

Skin Analysis

In a changing world of therapies and spa techniques you can discover what is best for your individual needs when our therapists listen to your concerns and review your skin. A comprehensive skin examination is undertaken using analytical skin-tech equipment, Observ520X. This reveals skin conditions which arise in the deeper skin layers, not visible to the eye. This deeper level of insight will allow your therapist to recommend the right products and treatment options for your skin concerns and conditions.

Other Treatments

ELECTROLYSIS HAIR REMOVAL

The Thermolysis treatment uses a high frequency current which destroys the hair follicle through heat. A very fine sterile probe is inserted into each individual hair follicle sending a localised electrical current to the growth centre, destroying the stem cells and blood supply that allow the hair to grow. The effects are almost always permanent, and any areas of the body can have hair removed this way.
